Construction to start on US 41/WIS 114

Additional lanes at off ramps for added capacity

(Green Bay) The Wisconsin Department of Transportation (WisDOT) NE regional office at Green Bay is announcing that work is scheduled to begin Monday, August 3, 2009 on the US 41 off ramps to WIS 114 in Winnebago County.

The project involves concrete pavement replacement and repair and construction of additional off ramp lanes.

The following closures will occur during construction:

- US 41 southbound off ramp to WIS 114 east – Right shoulder of the off ramp.
- US 41 northbound off ramp to WIS 114 east – Left shoulder of the off ramp.
- WIS 114 eastbound – Right lane between ramp terminals of WIS 114 and US 41.
- WIS 114 westbound – Right lane between ramp terminals of WIS 114 and US 41.

Project cost is estimated at \$383,000 and these closures will remain in effect through August 26, 2009. This project is part of the larger US 41 Project. Motorists are advised to use caution and remain alert when driving through this or any work zone.

About the project

WisDOT is initiating expansion and improvement of two segments of US 41 totaling 31 miles. The project will include road expansion to accommodate traffic volume, 44 new roundabouts, improved interchanges and expansion of the overpass at Lake Butte des Morts. The project, beginning in summer 2009, will improve safety and ease congestion for travelers. Current construction information and details about the project can be found at www.dot.wisconsin.gov.
